FOREIGN RESIDENTS WORKING GROUP

29.09.09

The DKK Foreign Residents Working Group (FRG) will be presenting the following projects and proposals to the DKK Meeting on 1 October 2009

1. FRG PROJECT

BURGLARIES: AWARENESS, PROTECTION AND SUPPORT

A project to work with the cooperation of the Jandarma and Municipality to increase security, provide information on protection from burglary and offer an information support service to foreigners or visitors who have been burgled.

2. FRG PROJECT

EMERGENCY MEDICAL FACILITIES IN DALYAN AND IZTUZU BEACH

A project to provide information on medical emergency facilities in Dalyan and on Iztuzu Beach and to offer a voluntary support programme to foreigners who are ill and need of non-medical assistance.

3. FRG PROJECT

LIVING IN DALYAN INFORMATION DESK

A project to gather up-to-date, accurate and consistent information on many aspects of living in Dalyan as a foreigner and to make this information available to all foreign residents by including an "Information Desk" on the FRG website.

4. FRG and ÇEVRE ÇALIŞMA GRUBU combined Proposal (English version)
2010 'ENVIRONMENT YEAR FOR DALYAN'

A proposal for full Municipality and community involvement to undertake a series of low-cost environmental projects which will enhance the natural and urban environment of Dalyan throughout 2010.

5. FRG and ÇEVRE ÇALIŞMA GRUBU combined Proposal (English version)
DALYAN ANIMAL WELFARE AND RESCUE CENTRE

A proposal to address the urgent, medium term and long term requirements of stray and feral dogs and cats in Dalyan by establishing a professional Animal Welfare Centre which is environmentally and financially sustainable, leading to an attractive business enterprise.

6. FRG and ÇEVRE ÇALIŞMA GRUBU combined Proposal (English version)
DKK STRUCTURE AND COMMUNICATIONS DOCUMENT

A proposal to enhance the future success of the DKK by providing a sound structure, clear code of practice, working guidelines and communication methods to be used by all members.
